WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

Sir:

PETITION TO ACCEPT DELAYED CORRECTED DRAWING
FAILURE TO SUBMIT CORRECTED DRAWING UNINTENTIONAL (37C.F.R.1.137(b))

Applicant hereby petitions for revival of this patent.

Applicant hereby petitions for acceptance of Figure 2.

The delay in the submission of the drawing was unintentional. The Notice of Allowability (PTOL-37) sheet did not indicate that corrected drawing was needed, as shown in the enclosed. Page 3 of the Notice of Allowability, however, indicates a minor correction in Figure 2. As such, applicant wasn't able to readily identify the requirement.

Enclosed herewith is the Issue Fee of \$1,540.00. However, applicant respectfully request to reconsider whether this fee is warranted in view of discrepancy in the Notice of Allowance sheet.

Respectfully submitted,

Steve S. Cha
